

Want to Help Prevent Opioid Misuse?

Project STOMP is a new initiative just for ISU County Extension & Outreach Staff, brought to you by the PROSPER Rx Team.

What is Project STOMP?

STOMP stands for Steps Toward Opioid Misuse Prevention. It offers Iowa County Extension & Outreach offices a flexible approach to engage in community-based substance misuse prevention strategies at the level that works for them.

Through this unique opportunity, we are offering **free educational materials**, **free workshops**, and **ongoing support** for planning and implementing your selected strategies.

We will help you select one or more of the following approaches and provide the resources needed to implement it in your county:

- 1) Disseminating awareness-building information to audiences served and the broader community
- 2) Planning and engaging in one or more educational events or activities with community partners
- 3) Implementing a research- and/or evidence-based prevention program

We want to help Extension engage in prevention partnerships that benefit youth, families, & communities. Join us to become part of the solution in your county!

The PROSPER Rx team includes members from Iowa State University's Partnerships in Prevention Science Institute, Iowa State University Human Sciences Extension and Outreach, and Community and Family Resources.

Project STOMP is funded by Substance Abuse and Mental Health Services Administration grant no. H79TI081893.

Project STOMP Workshops

We are holding a series of regional workshops to kick off the project and ISU Extension and Outreach staff from all program areas are invited to attend.

April 1st – Orange City-Sioux County (Northwest)

April 29th – Fairfield-Jefferson County (Southeast)

May 6th – Boone-Boone County (Central)

May 14th – Atlantic-Cass County (Southwest)

June 3rd – Waterloo-Black Hawk County (Northeast)

- Register here: <https://bit.ly/2Y05n5p>
- Counties with at least one extension representative participating in a workshop will be eligible to apply for funds to implement their selected strategies.
- All community partners are welcome and encouraged to attend!

All workshops will be held at the county extension office from 10 am to 3 pm and will include lunch. Participants will be reimbursed for mileage to attend their selected workshop.
